Accreditation and Quality Assurance

Journal for Quality, Comparability and Reliability in Chemical Measurement

Volume 16 · Number 12 · December 2011

EDITORIAL

Looking back at two decades of "Metrology in Chemistry"

P. De Bièvre 591

TOPICAL ISSUE "Measurement and Testing in the Service of Society"

EDITORIAL

The 4th international conference on metrology: measurement and testing in the service of society, 23–24 May 2011, Jerusalem, Israel

I. Kuselman 597

SELECTED PRESENTATIONS

Warning: false sense of certainty from the illusion of accuracy and precision in measurements

M. Brezis 599

Metrology in service of society: the role of proficiency testing

D. Tholen 603

REVIEW

Metrological concepts required for food safety and quality testing

F. Ulberth 607

GENERAL PAPER

Long-term stability study of drug products and out-of-specification test results

I. Kuselman · I. Schumacher · F. Pennecchi · C. Burns · A. Fajgelj · P. de Zorzi 615

REGULAR PAPERS

PRACTITIONER'S REPORT

Estimation of alert and change limits and its application in the plausibility control

M.J. Castro-Castro · D. Dot-Bach · B. Candás-Estébanez · R. Cano-Corres · X. Fuentes-Arderiu 643

DISCUSSION FORUM

Generic division of 'quantity' and related terms

R. Dybkaer 649

INTERNATIONAL BODIES

Report on the 34th meeting of ISO/REMCO

H. Emons · J.P. Hammond · S. Sauvage 653

LETTER TO THE EDITOR

Unresolved concerns about the "new SI"

J. Miller · T.P. Hill · A. Censullo 657

CALENDAR OF EVENTS

Congress, conferences, workshops and courses 659
