Accreditation and Quality Assurance

Journal for Quality, Comparability and Reliability in Chemical Measurement

Volume 16 · Number 7 · July 2011

MEETING REPORT

Test and Measurement Conference 2010

A. Botha · E.P. Tarnow 337

GENERAL PAPERS

Total CO₂ measurements in horses: where to draw the line

D.B. Hibbert · N. Armstrong · J.H. Vine 339

Measurement error models and variance estimation in the presence of rounding error effects

T. Burr · M.S. Hamada · T. Cremers · B.P. Weaver · J. Howell ·
S. Croft · S.B. Vardeman 347

PRACTITIONER'S REPORTS

Multi-component out-of-specification test results: a case study of concentration of pesticide residues in tomatoes

I. Kuselman · P. Goldshlag · F. Pennecchi · C. Burns 361

An evaluation of analytical quality for selected PAH measurements in a fuel-contaminated soil

S. García-Alonso · R.M. Pérez-Pastor · F.J. García-Frutos 369

Evaluation of bias, precision, and systematic errors in proficiency testing of Cl⁻ and Cu concentration in water

A.B. Chelani · C.A. Moghe · S. Nimsadkar · K. Gandhi · G.L. Bodhe ·
S.M. Dhopte · N.P. Thacker 379

LETTERS TO THE EDITOR

Errors in the description of USP certified reference materials

D. Tholen 383

Reply to "Errors in the description of USP certified reference materials"

W.F. Koch · B. Ma 385

About 'measurement result' and 'measured value'

X. Fuentes-Arderiu · A. Porras-Caicedo 387

CALENDAR OF EVENTS

Congress, conferences, workshops and courses 389
