Volume 17 · Number 1 · February 2012

EDITORIALS

Building on solid foundations

S. Pauly 1

Crossing boundaries

H. Emons 5

GENERAL PAPERS

Cost effective, robust estimation of measurement uncertainty from sampling using unbalanced ANOVA

P.D. Rostron · M.H. Ramsey 7

Validation interlaboratory trial for ISO 12010:

Water quality—Determination of short-chain polychlorinated alkanes (SCCP) in water

S. Geiß · M. Schneider · G. Donnevert · J.W. Einax · N. Lettmann · A. Rey · H. Lepper · B. Körner · T. Prey · B. Hilger · M. Engelke · M.-P. Strub · H. Adrien · G. Sawal · D. Löffler · T. Schillings · I. Hussy · P. Steinbichl · S. Scharf · A. Ruderisch · J.E. Olmos · F. Javier Santos · A. Bartolome · J. Caixach 15

Fitness for purpose in relation to specification limits

M. Alvarez-Prieto · J. Jiménez-Chacón 27

PRACTITIONER'S REPORTS

Capability of laboratories to determine core nutrients in foods: results of an international proficiency test

S.W.C. Chung · J.C.H. Tran · W.W. Wong 35

Comparison of three electrochemical end-point detection methods to assay potassium dichromate by coulometric titration

T. Asakai · A. Hioki 45

Uncertainty estimation of anions and cations measured by ion chromatography in fine urban ambient particles (PM_{2.5})

M.A. Leiva G. · Ma.C. Araya · A.M. Alvarado · R.J. Seguel 53

Method validation for determination of heavy metal samples by ICP-MS

M. Chudzinska · A. Debska · D. B. 5525

Presentation of differential laser

as a reference measurement procedure for the determination of total uranium content in ore

D.P.S. Rathore · M. Kumar · P.K. T.

DISCUSSION FORUMS

Principles for constructing notation in unit systems and their application to the SI

M.P. Foster 85

What *exactly* is uncertainty?

M. Thompson 93

On the use of the mean squared error as a proficiency index

I. Castelazo · Y. Mitani 95

INTERNATIONAL BODIES

General guidance for the value assignment of reference materials: a proposed scope for the revision of ISO Guide 35

A. Botha 99

MEETING REPORT

TDRM/TDLM workshop on reference materials and laboratory accreditation at the AOAC annual meeting 2011

H. Emons · J. Weitzel · J. Budin · M. Phillips · C. Rimmer · D. Zink 101

CALENDAR OF EVENTS

Congress, conferences, workshops and courses 107
