CORRECTION

The April issue of *Materials Evaluation* did not properly credit the image in the feature paper, "3D Digital: Testing Techniques for High Volume Production Applications," by Patrick Howard, Joe Portaz, John Janning, Patrick Barthelemy and Franck Fauverte. This image was found in the Table of Contents and on page 400 of the April issue, and should have been credited: "Data Courtesy: North Star Imaging, Inc." *Materials Evaluation* regrets the error.

Subscription Questions?

ASNT membership includes a one-year subscription to *Materials Evaluation*. Institutions, or others who wish to have a subscription without becoming an ASNT member, may simply subscribe to the journal through ASNT. To become a member or subscribe to the journal, contact ASNT at (800) 222-2768 or see www.asnt.org/membership/membership.htm.

Back Issues & Article Copies

Back issues of *Materials Evaluation* are available for purchase. See www.asnt.org/shop/periodicals.ihtml for details, or call (800) 222-2768. Copies of individual articles may also be obtained through ASNT: contact the librarian at (800) 222-2768 for more information.

Comments & Suggestions

Letters to the editor are welcome at any time. Letters that are timely and significant may be published in an issue of *Materials Evaluation*. Not all letters are suitable for publication, and ASNT makes no claim regarding publication of a given letter. Letters should be sent to Editor Carly Williams at cwilliams@asnt.org.
