Abbreviation

Introduction Outline of the Study	1
1. Objective of the Study	1
2. Background of the Study	1
3. Study Schedule	2
4. Components of the Study	3
4.1 Survey of Current Conditions and Setting of the Draft PLAN (Assumptions) for Effective Diffusion of Business and Production Management Technology	3
4.2 Implementation of the Pilot Project (Verification of the Draft Plan = Assumptions) ..	4
4.3 Formulation of a Plan for the Effective Diffusion of Business and Production Management Technology and Recommendation of a Concrete Implementation Action Plan	4
5. Member List of the Study Team	5
6. Study Implementation Concept	5
7. Support for Staging of Workshops	6
Chapter 1 Current Conditions of Business and Production Management Technology Diffusion in Argentina	8
1.1 Current Conditions of SMEs and Policy of Support for SMEs	8
1.1.1 Current Conditions of SMEs in Argentina (Analysis of Area-based Features and Macro Conditions)	8
1.1.2 Functions of Government Agencies	10
1.1.3 Activities of Other Donors	14
1.2 Current Conditions of SMEs Support via Business and Production Management Technology	16
1.2.1 Support Needs of SMEs	17
1.2.2 Analysis of SME Support Resources	21
1.2.3 Role and Current Conditions of INTI concerning Diffusion of Business and Production Management Technology	25
1.2.4 Advance JICA Development Study and INTI Efforts	29

1.3	Setting of a Draft Plan (Assumptions) for the Effective Diffusion of Business and Production Management Technology.....	30
1.3.1	Setting of Assumptions.....	30
1.3.2	Formulation of the Pilot Project Implementation Plan.....	34
1.3.3	Selection of Pilot Project Target Enterprises (PP Model Enterprises).....	39
Chapter 2	Pilot Project Implementation and Evaluation	44
2.1	Outline of the Pilot Project	44
2.1.1	Objective.....	44
2.1.2	Applied Theoretical Training.....	44
2.1.3	Diagnosis and Support of Model Enterprises	45
2.1.4	Workshops	47
2.2	Details of Pilot Project Implementation in Each Area	48
2.2.1	BUENOS AIRES / MAR DEL PLATA.....	48
2.2.2	CONCEPCION DEL URUGUAY and PARANÁ	52
2.2.3	NEUQUEN and VILLA REGINA.....	57
Chapter 3	Strategy (Draft) for Supporting Resolution of Problems in Small and Medium Enterprises (= Draft Master Plan for Diffusion of Business and Production Management Technology).....	62
3.1	Lessons and Issues from the Pilot Project (PP)	62
3.1.1	Appropriateness of the INTI Mission and Policy concerning Support for Problem Solving in SMEs.....	63
3.1.2	Issues and Lessons concerning Training Systems.....	66
3.1.3	Issues and Lessons concerning Qualification Systems.....	67
3.2	Strategy of Support for Problem Solving in SMEs.....	67
3.3	Organization for Executing the Strategy	69
3.3.1	Organizational Reform of INTI	70
3.3.2	Capacity Development Program for Supporting Problem Solving in SMEs.....	71
3.3.3	Realization of the NODO Organization	76
Chapter 4	Concrete Recommendations (Draft) for Realizing the Strategy of Support for Problem Solving in SMEs (= Draft Action Plan for Diffusion of Business and Production Management Technology)	77
4.1	Recommendations concerning Needs Survey and Selection and Development of New Technologies.....	79
4.1.1	Current Conditions and Problems of Enterprise Support via Management Technologies	79

4.1.2	Desirable Shape concerning the Selection and Development of Management Technologies in INTI	80
4.1.3	Concrete Activities for Selection and Development of Management Technologies	81
4.2	Recommendations Concerning the INTI Training Systems	83
4.2.1	Condition of AMP Training	83
4.2.2	Training Problems	84
4.2.3	The Desirable Shape of the INTI Training System	87
4.3	Recommendations Concerning the ATG Qualification System	98
4.3.1	Qualification Requirements for ATG	99
4.3.2	Qualification Certification Agency and Accreditation Method	103
4.3.3	Renewal of Qualifications	105
4.3.4	Coordination with the AMP Title	105
4.3.5	Preparation for Official Qualifications	106
4.4	Expansion of Enterprise Support Activities through Establishment of the New NODO (Provincial Expansion Plan)	112
4.4.1	Regional extension of INTI	112
4.4.2	Concrete Proposals concerning INTI Regional Extension Activities	112
4.5	Recommendations concerning Strengthening of Collaboration with External Agencies ...	117
4.5.1	Necessity and Potential for Collaboration	117
4.5.2	Current Conditions of Collaboration	117
4.5.3	Countermeasures	119
4.6	Necessary Budget and Roadmap for Actualization of the Action Plan	119
4.6.1	Necessary Budget for Actualization of Action Plans	119
4.6.2	Roadmap	122
4.7	Future Issues	124
4.7.1	Short-Term Follow-up Issues	125
4.7.2	Long-term Issues	125

Appendices

Annex-1 :	Scope of Works (S/W) (2008/9/16)	A-1
Annex-2 :	Minutes of Meeting (M/M) / (2010/2/19)	A-7
Annex-3 :	PP Evaluation Tables by Enterprise	A-11
Annex-4 :	W/S Photographs	A-14
Annex-5 :	W/S Pamphlet (Training of ATG)	A-17
